OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NO. 52-A

Series of 2021

AN EXECUTIVE ORDER TEMPORARILY ALLOWING A FULLY VACCINATED TRAVELER WHO WISH TO RETURN TO THE PROVINCE OF BOHOL TO PRESENT HIS/HER DULY SIGNED AND AUTHENTICATED VACCINATION CARD ISSUED IN THE PROVINCE OF BOHOL ALONG WITH A GOVERNMENT ISSUED ID AND S-PASS UNTIL NOVEMBER 30, 2021 IN THE ABSENCE OF A VACCINATION CERTIFICATE

WHEREAS, after issuance of Executive Order No. 52, Series of 2021 (**AN EXECUTIVE ORDER LIFTING THE REQUIREMENT OF NEGATIVE RT-PCR TEST RESULT ON FULLY VACCINATED INDIVIDUALS UPON THEIR ENTRY TO BOHOL INSTEAD REQUIRING THEM TO PRESENT ONLY VALIDATED AND AUTHENTICATED VACCINATION CERTIFICATE**), the undersigned has received numerous reports of unsuccessful attempts of individuals especially Boholanos who wish to return to the Province of Bohol to secure and generate Vaccination Certificates from Department of Health (“DOH”) website vaxcert.doh.gov.ph.

WHEREAS, upon immediate verification with the concerned and relevant government agencies, the undersigned learned that there are still considerable vaccination data/records which are yet to be encoded and uploaded by the local government units (LGUs) in the said DOH website. Because of the fact that local government units around the country have yet to fully transmit vaccination data to the DOH due to lack of technical manpower, there are individuals whose vaccination records could not be found in the said website.

WHEREFORE, premises considered, and by virtue of the powers vested in me as the Provincial Governor of Bohol under Section 465 (b), (2), (iii) of the Local Government Code (R.A. 7160) and other existing laws, **I, ATTY. ARTHUR C. YAP**, do hereby order the following:

1. Pending approval by the DOH of any request for a Vaccination Certificate by the vaxcert.doh.gov.ph after uploading scanned copies of the Vaccination Card and Government-issued Identification Card, any traveler who wish to return to the Province of Bohol may present his or her valid, authenticated and duly signed **Vaccination Card issued in the Province of Bohol** along with a Government-issued ID as requirements for travel to the Province of Bohol and should still secure an S-Pass approval. This requirement will be accepted until November 30, 2021 to give ample time for the Bohol LGUs to encode and upload vaccination records in the vaxcert.doh.gov.ph portal. **From December 1, 2021 onwards a vaccination certificate will already be required for all travelers.**

However, the foregoing should remain as an exception rather than the general rule and all other travelers should secure Vaccination Certificates from vaxcert.doh.gov.ph as required by relevant IATF Resolutions. Concerned travelers who will present their **vaccination cards issued in the Province of Bohol** because they could not generate their vaccination certificates shall present the **acknowledgment notices or a copy/screenshot from vaxcert.doh.gov.ph that their records could not be found** and that they already made such requests for their Vaccination Certificates.

2. Other provisions under E.O No. 52 shall remain valid and existing;
3. This order shall take effect immediately upon signing.

Done this 24th of October 2021, in the City of Tagbilaran, Bohol, Philippines.

ATTY. ARTHUR C. YAP
